WHAT IS AN ONLINE FORMATIVE ASSIGNMENT?

- Please note that the formative online assignments are intended for students who prefer to complete the formative assignment online instead of sending it via post. The new Virtual Campus is intended for online formative assignments only.
- The benefit of doing your formative assignment online is that you can start your assignment today and carry on with the next questions the following day, week or month. You will receive your results instantly after completing it. Thereafter, the lecturer will moderate it and your results will be updated in your gradebook after 14 working days.
- Before you attempt an online assignment, please study and be 100% sure you want to attempt the assignment.
- If you attempted the formative assignment before and you have passed the assignment, you do not have to do it again. If you attempt it again, it will be regarded as another attempt.
- ~~If you post or courier your assignment we will have to wait for the assignment processing and time to reach us. When we receive the assignment it will go for professor receives~~ then be assigned to an assessor for marking. Once the assessor receives your assignment the results will be released within 14 days.
- Please note that you only have two attempts that are included in your study fee, the third attempt will incur an additional charge of R485 on your account.
